### STINGERS PREVIEW 1977-78

The 1977-78 season marks the beginning of a new era for Concordia hockey, now only three years since the merger of the Loyola and Sir George synasties.

In the last two seasons Paul Arsenault and Bob Philip have lost 16 players from the Stinger machine, that broke all the college records for most wins and fewest losses. Chalking up an impressive 76-16-6 won/lost/tie record against the best college sextets in Canada and the U.S. Along the way the team developed five All-Canadians in Corsi, Tomalty, Morris, Wilson and Sewchuck. Also four made it into the professional ranks, Corsi, Morris, Wilson and Hansis. Dave Boyd, Randy Mohns and Glen Tomalty will all attend pro camps in September and they too may join the ranks of professionals developed at Concordia.

Second year players hold the answer to Concordia's fate for this year. The best of these, centre Kim Elliott could be the top college player in Quebec since the days of Carriere and Berry. Swift wingers, Bill Doherty, Alex Westgate, Mark Fiorentino are poised to replace graduates Sinclair, Tomalty, Harris and Mohns. Sophomore defensemen Barry Byers and Rick Marsh, both transfers from R.P.I. will attempt to fill the void left by the departure of perennial all-stars Bob Legarde and Dwight Mick.

One of the most respected coaches in Canada, Paul has amassed 10 league titles in 13 years, as head coach at Sir George, Loyola and Concordia. Two years ago, he guided the Stingers to an unprecedented 43-3-1 record and received his second C.I.A.U. "Coach of the Year" award. Paul, who also is an instructor in the Bio-Physical Education program, has an overall record of 292-121-30. This past season the Stingers posted a 33-13-5 for their second consecutive QUAA championship since the merger of Loyola and Sir George.
